Sharathon 2010 is here. Once again we're sending out a newsletter to everyone as we need to ensure we do not overlook anyone who's heart God uses to join with us in our ministry to Northeast Louisiana. Every day we live is another day closer to Jesus and there are so many needing help until His return. There are many, every day, who need to hear a seed planted in their heart about a real savior name Jesus who can change their lives and the destination of their souls. There are many who need encouragement, strength, and reinvigorated passion through their week. There are many dealing with grief-wrenching loss. When you support us financially and prayerfully, you are part of a ministry that reaches out to all of them, If you haven't done so yet, your statement with this newsletter has a place at the bottom for you to renew or start monthly giving or one-time gifts. Thank you for the love you help us share with others.

In His love,

Bob Beyer
